The following procedure explains the steps necessary to put the watercraft back in service following a storage period. See your Kawasaki JET SKI watercraft dealer for this service, or do the following. I just picked up a 1990 JS550 and want to go through it and fix it up. It's my first PWC. I have worked on and rebuilt many dirtbikes, but I know there is a few more things to the PWC that I need to know about. I want to replace the drive shaft seals because I think they are bad and leaking. From looking around on here I gathered that I need to pull the engine out.
