It can be seen from the increasing demand of studio apartment in many big cities all over the world. Are you also interested in living-studio style? Particularly, this living space becomes a foremost choice among young professionals including entrepreneurs and artists. Pronounced ‘hoo-ga’ or ‘hue-gah’, the word is becoming increasingly recognisable and was originally a Norwegian term for wellbeing. Developed into a concept and way of living by the Danish in the 18 th century when it first appeared in writings of the time, the country hasn’t looked back since. Applicable to any time and space, hygge traverses both winter and summer but the idea ...
