Getting Started This guide is intended to help you transition from using AutoCAD® Land Desktop to using AutoCAD® Civil 3D as your primary engineering design application. It will help you understand the many benefits of moving to Civil 3D, how your current workflows may change. Product Key Explorer Features. Product Key Explorer: Product Key Explorer is a powerful product key finder solution for Windows, designed to help users find, recover and backup activation keys for +8000 most popular software programs installed on local or network computers. IntelliCAD has a very similar user interface as AutoCAD, supports the core AutoCAD commands and uses the DWG drawing formats 2012 to R12. For some Carlson commands, creating entities in AutoCAD is twice as fast as IntelliCAD, which makes a significant difference in routines that create lots of entities.
