C5 Steering-Lock Repair - Going In Circles Curing The Dreaded C5 Steering-Lock Problem
The 2003 Chevy Corvette (Image courtesy of GM Media.) Now, with fifty years behind it, Chevrolet executives were prepared to commemorate the half-century-old sports car through a series of planned events that included the introduction of a Special Edition 2003 C5 Corvette.
2002 C5 Corvette 2002 Corvette Overview. The 2002 model year showed no signs of slowing down for the C5 Chevy Corvette. While the Z06 had been an unquestionable success in its freshman year, the engineering team behind the flagship Corvette had no intention of allowing last years successes to be the measure of the new model year.
