Over the years, my wife and I have adopted rescue and abandoned dogs and cats.If your cat has a sensitive stomach or urinary problems, then homemade cat food is the best diet for your feline. Unlike dry commercial food which lacks water, homemade food restores the natural water balance in cat's body, boosting its immunity system to fight health issues such as UTIs.This non prescription cat food for urinary crystals guarantees the proper pH balance and helps maintain hydration to prevent many of the common issues cats face with renal health. Another reason why it works well for most cat owners is the fact that the food is specially designed to satisfy picky eaters.
