

Download Diablosport Intune I1000 Manual

So i just plugged up my intune to my 2014 silverado 1500 in hopes of changing the tires size (35") and hopefully making some changes to get a little more HP. The Diablo inTune is the latest and greatest handheld tuner on the market today. DiabloSport created the inTune to be the most affordable, fastest, versatile, and easiest to use handheld flash tuner on the market. Hey folks, I'm new to the forum and recently purchased a 2011 Silverado with over-sized tires. I've decided to purchase the Diablosport InTune i2 tuner to try and correct my speedo at least.
