View and Download Dish Network 20.1 user manual online. 20.1 Remote Control pdf manual download. Also for: 21.1, 21.1 ir. This wikiHow teaches you how to program a Dish Network remote control to work with your TV, a DVD player, or more. You can use a code to program most remotes; if that doesn't work for your selected product, you can also scan through the available codes until you find one which works. Step. Turn on your Dish Network receiver and the device to which you want to program the remote. Step. Press and hold the mode button on the remote control for the device you are programming.
