

Download Educational Technology A Definition With Commentary

Continuing the tradition of the 1963, 1977, and 1994 AECT projects to define the ever-changing contours of the field, the Definition and Terminology Committee completed the most recent definitional effort with the publication of Educational Technology: A Definition with Commentary in 2007. Educational technology: a definition with commentary. Sponsored by the Association for Educational Communications and Technology (AECT), this book presents a definition of the field of study and practice known as educational technology or instructional technology.
