

# Download Entering First Grade Activity Sheets

How did I miss this post of yours before? I also teach 2nd grade and preparation for First Reconciliation. The kids already did receive the sacrament in January, but they will be celebrating again with all the other classes in our program in 2 weeks — so I certainly will be using your ideas in my lesson next week. Foundations of Algebra = Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback.
