The SCX10™ platform is an already proven chassis-of-choice for scale enthusiasts around the globe. For this new version, Axial has taken the popular Deadbolt™ body from the AX10™ chassis and placed it on the SCX10™ which gives it a cool scale appearance and, for existing customers, a new factory body choice. Introducing the paper and the research. This paper is a brief progress report on the conceptualisation and implementation of a long-term personal project to investigate the nature and purposes of writing for publication in educational action research, so it is located within the field of critical academic literacies (see Lankshear and Knobel 2011). The best opinions, comments and analysis from The Telegraph.
