

Download Examples Explanations California Community Property

Community property (United States) or Community of Property (South Africa) is a marital property regime under which most property acquired by a spouse during a marriage (except for gifts or inheritances), is owned jointly by both spouses and is divided upon divorce, annulment or the death of a spouse. Community property is premised on the theory that marriage creates an economic community ...A secured transaction is any deal in which a creditor receives a security interest in the debtor's property. This lesson explains what a secured transaction is and how these transactions work ...As a member, you'll also get unlimited access to over 75,000 lessons in math, English, science, history, and more. Plus, get practice tests, quizzes, and personalized coaching to help you succeed.10. IMPLEMENTATION Curriculum, Instruction, Teacher Development, and Assessment. In this chapter, we consider the changes needed across the K-12 science education system so that implementation of the framework and related standards can more readily occur. Standards provide a vision for teaching and learning, but the vision cannot be realized unless the standards permeate the education system ...
