

Download Free Cna Study Guide 2013

The CNA Training Help study guide is the most comprehensive online resource for those who are about to challenge the CNA certification exam. You will find everything you need to successfully master both the written and skills part of the exam on this page. Try out a free practice test to see if you're ready for the certification exam. Please scroll to the bottom to find the links to the test. It is always free to practice for the skills portion of the CNA certification test. This portion of the test is when you will demonstrate some of the tasks and duties you will complete as a CNA. As a certified nursing assistant, you are very hands on with your client. You are responsible for the very basic needs of your client including his or her mobility. As the primary caregiver of the client, one of your duties is the safety of your clients when transferring them from bed to chair, bed to stretcher and vice versa. An in-depth study guide that will help you prepare for the CNA competency exam. Learn skills, sample questions, take the practice test, and much more!
