b. What information from the book/research can be used as evidence to prove the biome type? Created By: Jordan Creech 3rd period A wild animal is an animal that is, well, wild. This means that it isn't tame and it lives on its own without any help from people. A wild animal findssurvival guide should include 10 survival tips with a written explanation for each. Publish your survival guide into a book with a front cover and table of contents.

4. Create an illustrated time line showing ten signi?cant events from Brian's 54 days in the Canadian wilderness.

Project Due: \_\_\_\_\_ Hatchet ~Hatchet Wilderness Survival Guide Buy Study Guide Though Brian 's story is fiction, many real people find themselves in situations similar to his, stranded in the wilderness after perhaps becoming lost on a hiking or camping trip.Students engage in a survival scenario, like Brian Robeson from Gary Paulsen's Hatchet, starting at a plane crash and having to survive the elements. Students will work collaborative and demonstrate positive digital citizenship behaviours while engaging with others in the world. Students will ...
