

# Download How To Change Automatic To Manual Transmission

Converting a manual transmission to an automatic is much simpler than converting an automatic to manual. This is a project that requires many parts and a strong mechanical aptitude. This is a reproduction big block four-speed transmission cross member for a first-generation Camaro or a third-generation Nova. In the case of a big block, the engine and transmission are actually offset slightly to gain clearance. As a result, transmission cross members differ between big and small block cars. Is It Possible to Convert Transmission from Manual to Auto? Well, you have already got the answer. But, how to do it? If it's a modern car, dated at or after the mid-1990s, the process will require something more than just changing the transmissions to be complete.
