

Download Interqual Level Of Care Criteria 2014

Utilization Management Criteria UPMC Health Plan uses nationally recognized criteria, as well as Health Plan medical policies, to determine utilization management decisions. Summary: What do ASAM®, LOCUS®, CALOCUS®, and InterQual® all have in common? They are all level of care assessment tools, each with a different perspective. Summary: What do ASAM®, LOCUS®, CALOCUS®, and InterQual® all have in common? They are all level of care assessment tools, each with a different perspective. Level of care isn't a [...] Blue Care Network announces date for program changes for breast biopsy (excisional) BCN previously communicated in the Nov.-Dec BCN Provider News, clinical review will be required for breast biopsy (excisional) and CCTA for BCN commercial and BCN Advantage HMO-POS SM and BCN Advantage HMO SM members effective Jan. 1, 2014. The effective date of these changes will be Jan. 6, 2014. Utilization Management (UM) is the use of techniques that allow purchasers to manage the cost of health care benefits by assessing its appropriateness before it is provided using evidence-based criteria or guidelines. Critics have argued if cost cutting by insurers is the focus of their use of UM criteria, it could lead to overzealous denial of care as well as retrospective denial of payment ...
