Flashback - The Journey to 40 CHEO's 40th birthday countdown. We are 40 weeks away from celebrating CHEO's 40th anniversary (officially May 17th). Interstellar travel is the term used for crewed or uncrewed travel between stars or planetary systems. Interstellar travel will be much more difficult than interplanetary spaceflight; the distances between the planets in the Solar System are less than 30 astronomical units (AU)—whereas the distances between stars are typically hundreds of thousands of AU, and usually expressed in light-years. Ranking Methodology. The list of top nursing schools has been prepared with the help of various factors such as architecture, world-class facilities, world-class faculty, technology, infrastructure, US News and World Report, and world-class opportunities.
