They'll do their best to help! Don't want to order on-line? This site has the highest level of secure encryption to protect your credit card and personal information, but we are more than happy to take your order over the phone. OK I'm in a wee bit over my head here! I got my hands on a 1630 Kubota loader attachment but all the hoses are disconnected and no manual |I can't find a manual that actually shows me where they go. Anybody have a PDF diagram? Any help at this point would be greatly appreciated! Kubota TG1860 Parts Catalogs & Information. Extensive diagrams and resources for Kubota equipment
