

# Download Kubota Rototiller Manual

Would anyone have any idea what a 1985 or 1986 Troy-Built Pony 5HP Rototiller is worth? I am trying to buy one from a guy who says "find out what it's worth and we'll go from there". I did the 50 Hr maintenance on my new Kubota RTV X1100C this weekend, it included such things as engine oil and filter change , and both transmission filters and of course the many many many grease points to do. I was disappointed on Kubota's lack of thinking when it came to access to the filters for example. The engine oil filter is buried and after you remove the large engine protection ...Tools, Knowledge and Part Numbers As a proud and perhaps frugal Kubota equipment owner, you have decided to take some of the servicing, repair and maintenance of your orange equipment onto your own shoulders. We are picking up and continuing our Kubota Service 101 series with a quick article on something every owner of a tractor should be familiar with – an oil change.. Depending on the model, Kubota recommends regular oil changes every 75-150 hours (less for construction or heavy use).
