

Download Lab Manual Wentworth And Hall

Following is a list of the formal and informal names of campus buildings and landmarks. Named rooms, wings and centers within these buildings are also listed under their respective buildings. In 1891, James Huff Stout, a Wisconsin State Senator and Menomonie resident, founded a manual training school, the first of several educational enterprises he launched in Menomonie. The Manual Training movement was an educational philosophy that influenced modern vocational education. In the United States, this philosophy was established in the 1870s and used to train engineers, later working ...
