Writers gently progress from accessible subjects to deeply significant thoughts and feelings. Memoirs of the Soul: Writing Your Spiritual Autobiography. Memoirs of the Soul: A Writing Guide gently leads writers from accessible subjects into the heart of meaningful experiences. This easy-to-follow process produces profound, polished memoirs. For both classrooms and individuals. Clear instructions, examples, writing tips. It is full of writing exercise toward creating a spiritual memoir. The author is very well versed and very well educated to teach writing and this book can lead even the nonwriting type into the serious project of writing a memoir. Memoirs of the Soul is written not only for the individual writer but also has tips for writers' groups and for leading a workshop on writing memoirs. Having used journaling extensively in my own spiritual formation, in one-on-one spiritual direction, and in directing retreats, I was challenged and excited to think about taking that kind of writing into a memoir-writing process, using this book as guide.
