Growing Mushrooms with Hydrogen Peroxide--Updates. As I gain more experience and become aware of new information, I continually find that I need to make small changes to the peroxide manual to keep it in line with my current understanding of the effective use of the method."An overactive ego is a tyrant." - Michael Pollan
Michael Pollan (@michaelpollan) is the author of seven previous books, including *Cooked*, *Food Rules*, *In Defense of Food*, *The Omnivore's Dilemma*, and *The Botany of Desire*, all of which were New York Times bestsellers. Zero population growth, sometimes abbreviated ZPG (also called the replacement level of fertility), is a condition of demographic balance where the number of people in a specified population neither grows nor declines, considered as a social aim by some. According to some, zero population growth, perhaps after stabilizing at some optimum population, is the ideal towards which countries and the ...Economist and author Michael Munger of Duke University talks about his book, *Tomorrow 3.0*, with EconTalk host Russ Roberts. Munger analyzes the rise of companies like Uber and AirBnB as an example of how technology lowers transactions costs. Users and providers can find each other more easily through their smartphones, increasing opportunity.
