

Download Morality Authority And Law Essays In Second Personal Ethics I

Stephen Darwall presents a series of essays that explore the view that central moral concepts are irreducibly second-personal, in that they entail mutual accountability and the authority to address demands. He illustrates the power of the second-personal framework to illuminate a wide variety of issues in moral, political, and legal philosophy. The Second-Person Standpoint (SPS) advanced an analysis of central moral concepts as irreducibly second personal in the sense of conceptually entailing mutual accountability and the authority to address demands. The essays in this volume illustrate the second-personal framework's power to illuminate a wide variety of issues in moral, political, and legal philosophy. *Morality, Authority, and Law Essays in Second-Personal Ethics I* Stephen Darwall. Newly collected essays from one of the world's leading moral philosophers; Develops key ideas from Darwall's influential previous work; Draws out connections between moral philosophy and law *Morality, Authority, and Law: Essays in Second-Personal Ethics I*.
