

Download Oncology Certification Review

Oncology Pharmacy Specialty Review Course-LIVE AND ONLINE. The 2019 live review course will be held May 2-4, 2019 in Minneapolis, MN. The course is a comprehensive 3-day course that provides an interactive discussion of the domains covered in the oncology pharmacy specialty. Content is delivered using a case-based format with emphasis on the thought processes needed to solve complex patient care ...Applying for certification. The certification test is a three-hour, 165 multiple-choice item test based on the CPHON® Test Content Outline (Test Blueprint). The Test Content Outline is based on the results of a role delineation study of basic pediatric hematology oncology nursing practice conducted in 2017. Applying for certification. The certification test is a three-hour, 165 multiple-choice test is based on the AOCNP® Test Content Outline (Test Blueprint). The Test Content Outline is based on the results of a role delineation study of advanced oncology nursing practice completed in 2014. Welcome to the American Board of Naturopathic Oncology's Website. The American Board of Naturopathic Oncology (ABNO) was created as an operating unit of the Oncology Association of Naturopathic Physicians (OncANP) in 2006. The purpose of ABNO is to create, manage and administer the naturopathic oncology board certification process.
