Story outline and story structure—are they different terms describing the same thing? This is a question I frequently receive, and the answer is, "No, they're completely different concepts and tools." But learning how to structure your story's outline is a crucial part of the preparation process. An outline is the foundation of your story, a framework on which to build a solid, cohesive tale. Outlining first may make the difference between a powerful story with depth, or a mediocre tale. I have read everything I can find about short story structure. Although there are some basic academic ideas of short story structure floating around, they aren't that specific to the short story as they purport. It is difficult to apply them to the writing of a short story, in particular. So I have come up with the following.
