DETERGENTSCuda Industrial Parts Washers The Safe, Solvent-Free Solution to Cleaning Parts Automatically.
The best decision you can make when buying an automatic parts washer is to choose a well-designed product
with an outstanding reputation for quality. Yes! Cuda detergents are designed specifically for use in Cuda
Aqueous Parts Washers. Cuda carefully formulates their own detergents to ensure they outperform all other
parts cleaning detergents in the industry. I'm worried about losing small parts in the washer. Cuda Automatic
Parts Washers clean parts of all sizes. Cuda Parts Washers sells Cuda front-load parts washers up to 5,000 lbs.
Completely automatic and solvent-free, these rugged industrial-sized dishwashers greatly simplify your parts
cleaning.
