

Download Pediatric Cardiology Board Review Questions

Get ready to pass the Primary Care Certified Pediatric Nurse Practitioner (CPNP-PC) exam with BoardVitals. Gain access to more than 1300 Pediatric Nurse Practitioner board review practice questions with detailed explanations for both correct and incorrect responses. Mayo Clinic's Cardiovascular Medicine CME offers a wide variety of online and live conferences to expand the knowledge you bring back to your practice. If your child needs surgery, the procedure will be done by one of the best-trained pediatric urologists in the United States, not a trainee. Your child's anesthesia will be provided by fully-credentialed anesthesiologists who practice anesthesia daily and who are extremely skilled at regional anesthetic techniques for post-operative pain control in children. The BPS Board Certified Pediatric Pharmacy Specialist® (BCPPS) program is a credential for pharmacists who have met the eligibility criteria below and who in their unique practice ensure safe and effective drug use and optimal medication therapy outcomes in patients up to 18 years of age.
