This is a high performing, commercial grade hedge trimmer powered by petrol. It is a smooth and \*\*\*\* free hedge trimmer and is great for pruning and trimming.I think the points above pretty well sum the Performance Power Pro PRO24CCHTA 24cc Petrol hedge trimmer up. Bought earlier this year, and used twice, it stopped working and the blades will not drive. I stripped it down, and found the clutch spring broken in two. I will be returning it for a refund.Echo HC-150 Petrol Commercial Grade Hedge Trimmer: Well, hopefully most of the users would echo my statement that, Echo is a very efficient hedge trimmer.
