

Download Poses Guide For Wedding Photography

When starting any business nowadays, having a great website is key to success. While it would take an entire course or two to learn the ins and outs of web construction and design, we want to give you the basics that make a great wedding photography website. **Posing Guide for Photographing Couples:** Couple photography is about connection, interaction and feelings between two people. Here are some poses to help you capture that. This is the first in a series of Posing Guides with suggested starting poses for photographing different subjects. Also in the series check out our posing guides for posing children, posing couples, posing groups and posing weddings. **Sample Poses to Get You Started with Photographing Women** If you ever run out of ideas, get stuck [...]**Introduction to Wedding Poses.** Posing in wedding photography is much more of an art than it is a science, as it requires so much judgement and interpretation. When we first started wedding photography, this was our biggest fear and the most difficult aspect to learn. We had a good handle on lighting and my post production was solid.
