Easy to maintain- Slick magnetos use up to 50% fewer parts than the competitive aircraft magnetos. In addition, 70% of the parts in any Slick magneto are interchangeable with the comparable parts in other current production Slick magnetos. Slick magnetos are engineered so that mechanical parts wear at a balanced rate. Champion Aerospace to maintain high standards in their products has released a new updated manual for Slick Magneto by Champion. L-1363G manual provides many updates to the previous manual but there are three important updates for the service of Slick Magnetos. The first update that is important to Slick users is the time before overhaul of the magnetos has changed.
