Custom Course Design and Development in Engage. Wiley worked with Jack to devise a digital course solution in Wiley's LMS platform, Engage. After conducting a needs assessment to establish a course design, we created a simplified learning path for students. Several assumptions are important in understanding the initial model as it is applied to ADHD: (1) The capacity for behavioral inhibition begins to emerge first in development, ahead of most or all these four executive functions but possibly in conjunction with the first, nonverbal working memory.
