

Download Sony To Subaru Wiring Harness Guide

Hi All, I am prepping my harness for install. The Kenwood side has a Park SW wire to control when and if you can watch DVD's and stuff. I read in many places that with the kenwood all that needs to be done is tap into the ground. Car Stereo Installation Parts Information: Adding extra components and upgrading car stereos always requires more accessories than you expect at first. Between making the head fit the dash, preserving the sound quality of your new hardware with the right cables and connectors, or getting all your components optimized and synchronized, car stereo accessories play a vital role in getting you the ... My 2013 Taco has a little box in the speaker leads I found when I was putting in a glove box light switch. It's mounted right on the back of the glove...
