PLEASE NOTE: This is a summary, analysis and review of the book and not the original book. In his controversial take on modern health Amazon.com description: Product Description: PLEASE NOTE: This is a summary, analysis and review of the book and not the original book. In his controversial take on modern health, "The Toxin Solution", Joseph Pizzorno posits that toxins in our food, our shampoos, and the environment around us are the cause of most of the illnesses we face today. Episode 52: Dr. Joseph Pizzorno – The Toxin Solution. Dr. Pizzorno and Dr. Berkson have been colleagues since the 1970's, so this discussion unfolds as rich in facts but sincerely warm-hearted between two long time natural healers. Dr. Joseph Pizzorno is a thought leader in functional medicine and is now a paradigm shifter in environmental medicine.
