Founded in 1990, Prestige Equipment is a worldwide leader in the procurement and sales of metalworking machinery, fabricating equipment and complete manufacturing facilities. Victor offers a variety of manual lathes from 14" to 70" swing over bed. We are looking to purchase a new lathe. Summit, Jet, and Sharp are the brands that we have to choose from. Does anyone have a summit lathe? or does anyone have any pro's and con's about summit lathes? I don't think that sharp and jet are good choices because of their asian manufacturing. any advise would be appreciated. Thanks Willis geared head high precision lathes are equipped with hardened and ground bed-ways, headstock gears, and shafts. Willis conventional lathes with the standard gearbox, as well as Willis conventional lathes with electronic variable speed, are available from stock (Toledo, OH 43615 USA). 19" x 80" Summit Engine Lathe, Model 19-4 x 80. 19" x 80" Summit Engine Lathe, Model 19-4 x 80.
