

Download Surgery Of The Skin E Book Procedural Dermatology

James Highsmith, MD, MS is a true Floridian born right here in Tampa! He wrestled for Brandon High School and later graduated from the University of South Florida. At USF he earned a Bachelor of Science degree in Education and became a certified Hillsborough County school teacher in 1998. Anna Paré, M.D. is a board certified diplomat of the American Board of Dermatology with 25 years of experience and is the President of Dermatology Consultants, P.C. Dr. Paré has a special interest in merging her expertise in cosmetic dermatology with a comprehensive approach and treatment of photoaging. Dermoscopy Tutorial (Free but limited to the first 100) Dermoscopy is a “cutting edge,” non-invasive technique utilizing a specialized magnifying device to greatly enhance diagnosis of skin lesions. With dermoscopy, morphologic features are visible that cannot be detected by the naked eye alone. Dr. Regan's Biography — At Schweiger Dermatology Group, Dr. Regan specializes in Mohs Micrographic Surgery and Procedural Dermatology. He is a native of the Philadelphia area. He received his Bachelor of Science degree at Ursinus College and his medical degree from Thomas Jefferson University.
