Hi all, I have been lurking around this site for quite some time. I have 18 acres of steeply slopped land, that I am slowly developing. After a lot of research, I finally purchased a Takeuchi TB135 mini excavator to help me out with the work.I felt compelled to share my experience with the Takeuchi Mfg. Co. As, as a cynic, I was shocked and amazed at what occurred. Yesterday, I bought a very abused Takeuchi TB035 Mini-Excavator with about 2900 hours on the meter.
