

# Download Text Features Newspaper Article

Many sources of information, such as newspapers, use text features to highlight important information. In this silly article, kids practice identifying text features such as a headline, caption, photo, bolded text and italicized text., The Three Little Pigs, A biography about the life of President Obama, A book about bears describing different types of bears, where they live, and what food they eat. , A story about a girl who can talk to animals. Newspaper, publication usually issued daily, weekly, or at other regular times that provides news, views, features, and other information of public interest and that often carries advertising. Text mining, also referred to as text data mining, roughly equivalent to text analytics, is the process of deriving high-quality information from text. High-quality information is typically derived through the devising of patterns and trends through means such as statistical pattern learning. Text mining usually involves the process of structuring the input text (usually parsing, along with the ...
