The Natural Holistic Wellness Center, located in Monterey, California, is an alternative complementary holistic health clinic using cutting edge science-based medicine and natural remedies promoting your total wellness and optimal health. Printer-friendly version. What happens during menopause? What are kind of symptoms should I expect with menopause? What are the pros and cons of hormone replacement therapy? As a result of the steady increase in the number of patients with hyperlipemia (dyslipidemia) due to westernized eating habits, lack of exercise, obesity, overeating and stress, there have been a lot of side effects such as diabetes mellitus, hepatotoxicity and myopathy (HDL) in the treatment of hyperlipidemia as an alternative to the high-density lipoprotein (HDL) cholesterol.
