Frames of Mind: The Theory of Multiple Intelligences [Howard Gardner] on Amazon.com. \*FREE\* shipping on qualifying offers. The book that revolutionized our understanding of human intelligence. Howard Gardner's theory of multiple intelligences has been hailed by educators for decades and applied in hundreds of schools worldwide. A general State education is a mere contrivance for moulding people to be exactly like one another: and as the mould in which it casts them is that which pleases the predominant power in the government, whether this be a monarch, a priesthood, an aristocracy, or the majority of the existing generation in proportion as it is efficient and successful, it establishes a despotism over the mind ...By way of introduction: The Reservation Boarding School System was a war in disguise. It was a war between the United States government and the children of the First People of this land. 25 Responses to "The Education Industrial Complex" Luke Brown Says: October 10th, 2010 at 3:48 pm. Nice piece, Coop, especially the analogy to the military industrial complex.
