In the eyes of someone who grew up in the United States, it's hard to think of 1980s car more iconic than the Fox Body Ford Mustang. It may not have been the fastest, most advanced or sexiest car of the decade, but I don't think there are many car people in the States that don't at least have one story that involves a 5.0 Mustang...Bull Volcano DOI 10.1007/s00445-006-0110-5 RESEARCH ARTICLE Geology and hazard implications of the Marañón notch in the Pinatubo Caldera, Philippines A.
