

# Download Training Guide For Staffordshire Bull Terrier

A guide to help you choose whether the Staffordshire Bull Terrier breed is the right dog or puppy for your family. Introduction. The City of Cincinnati and some surrounding communities have banned them. The City of Fairfield, Ohio first declared them vicious and then banned them, and the State of Ohio lumps them in with breeds “commonly known as a pit bull dog” and calls them vicious. The Staffordshire Bull Terrier is a small to medium sized, short-coated breed of terrier from England. The Staffordshire Bull Terrier descends from purpose bred 19th century dog fighting and rat baiting dogs, but throughout the 20th and 21st centuries it has become an extremely popular companion dog. BEHAVIOR & TRAINING WHAT IS A STAFFORDSHIRE BULL TERRIER'S PERSONALITY LIKE? Tenacious and stubborn, Staffords can be a bit...well, bullheaded. But they're also clever, playful, and surprisingly gentle with people — especially where children are involved.
