Hi i was hoping someone (a toyota mechanic) could help me, i am after any useful information to do with changing my timing belt. its a 3.4l V6 hilux 02 - 04, and i am interested to know if other things will give trouble once the belt is replaced ie: tensioner or water pump will need to be done at the same time. View and Download Suzuki 2009 Grand Vitara owner's manual online. 2009 Grand Vitara Automobile pdf manual download. Hi As Paydirt says get a timing belt kit and change everything, the other thing you might consider doing is the water pump, I do quite a few of these at work and the amount that come back with pumps leaking was quite high, we now reccommend that the pump is done at the same time.
