I've been wanting to bake with some alternative flours for some time and this weekend I finally made Pumpkin Muffins using whole spelt flour! And they are deeeelicious. A compost heap is a great way to recycle kitchen waste and improve your garden soil for free. However not everyone has the space needed and depending on where you live, you may want to deter any unwanted furry visitors. There are probably as many Almond Milk recipes as there are people who make it. A quick Google search will give you many, many other possibilities... Here is how I make it: Soak one cup of Natural (unroasted) Almonds in water over night (cover them with plenty of water because they expand).
