What You Don't Know About Having Babies: The Pregnancy Q&a Book [Joyce Armor] on Amazon.com. *FREE* shipping on qualifying offers. Based on the popularity of serious pregnancy question-and-answer books, this is a collection of seemingly intelligent questions about pregnancy with funny answers. There are 101 humorous insightsBest Pregnancy Books. The next nine months is all new territory. Even if you've already brought tiny humans into the world, no two pregnancies are alike. While the thought of food may have turned your stomach during your first pregnancy, your second baby may have you eating everything in sight. What they don't tell you is that there are a lot of gross and extremely unexpected things that happen during pregnancy and immediately after. One of the things that I feel should be a must to say to someone who is even thinking about having kids one day is that you will poop during labor. Shit they don't tell you: Pregnancy. At the age of 30, out of 100 couples trying to conceive naturally, only 20 will conceive within one month and around 85 will conceive within one year. Many couples spend years doing everything they can to not get pregnant, only to then spend years trying to get pregnant.
