How to Crate Train Your Dog or Puppy. Crate training uses the dog's natural instinct to seek a safe den in which to sleep. The idea is to make the crate the dog's go-to safe place, which he associates with pleasant things. When done...Dog training is the application of behavior analysis which uses the environmental events of antecedents and consequences to modify the behavior of a dog, either for it to assist in specific activities or undertake particular tasks, or for it to participate effectively in contemporary domestic life. While training dogs for specific roles dates back to Roman times at least, the training of dogs ...Recommended Books & DVDs for Pet Dog Owners <https://www.affiliatly.com/af-106043/> Books for Pet Dog Owners.
